Sony Notebook Repair :

We can professionally troubleshoot and repair all Sony notebook models with video and display issues such as duplicate images, random characters on the screen, distorted video, no video on the screen, scrambled video, vertical and horizontal lines on the screen, flickering action, intermittent booting and white lines running across screens. Some of the specialist services that we offer as part of our Chennai Sony laptop repair, replacement and upgrade services include:

Professional Chennai Dell Notebook Repair and Upgrade Service:

Step 1 - Get in touch with one of our laptop service advisors by calling 98 4109 4109 or email us at:

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

and inform them the symptoms of the fault.

Step 2 – Based on the information provided by you, we will assess the nature of the fault and accordingly provide you a ballpark figure for the cost of hardware component replacement and labour to undertake the repair or upgrade process.

Step 3 – Once we inform you about the estimated cost for your repair or upgrade service, it's up to you to make a decision if you wish to take the process to the next phase.

Step 4 – Clients can bring the defective laptop into our repair centre or we can arrange to collect your faulty Dell notebook computer and have it brought to our Chennai laptop service centre, for an affordable charge.

Step 5 – Once we take delivery of your notebook at our service centre, we will proceed with the essential repair, upgrade or replacement service and consequently inform you the final charge for the job performed.
